Four walls and Ovaltine
Baptized in listerine
Nobody lives this clean
You know what I mean
The world is a big bag of dirt
At least that's what I heard
But I'm stuck at home like a jerk
Hey --

I want a car, and I wanna drive it
So far I might never be found
I want a car, and I wanna drive it
Drive it right outta this town

Big books and little socks
Life in a liver-shaped box
Suburban electroshock
Tick tock --

I want a car, and I wanna drive it
So far I might never be found
I want a car, and I wanna drive it
Drive it right outta this town

The world is a big bag of fur
At least that's what I've heard
But I'm stuck at home
You know I'm stuck at home
Like a jerk
Oh --

I want a car, and I wanna drive it
So far I might never be found
I want a car, and I wanna drive it
Drive it right outta this town

I want a car, and I wanna drive it
So far I might never be found
I want a car, and I wanna drive it
Drive it right into the ground
Let's go!
