Hey-ay, hey-ay  
Hear that suckin' sound  
He must be comin''round  
Kissin' up to Mom and Dad  
Makin' me look so bad

He is no Boy Scout  
I'm gonna punch him out  
'Cuz he chews with his mouth open  
In front of my friends

O-Brother, you are drivin' me  
O-Brother, you are drivin' me crazy  
You're such a baby

O-Brother, you are drivin' me  
O-Brother, you are drivin' me crazy  
Don't be a baby

Hey-ay  
See that stuff in the sink  
He drools when he's takin' a drink  
His theacher's think he's bright  
He's a parasite

Hey, he is no Einstein  
I gotta keep him in line  
'Cuz he combs his hair like a troll  
He's outta control

O-Brother, you are drivin' me  
O-Brother, you are drivin' me crazy  
Don't be a baby

O-Brother, you are drivin' me  
O-Brother, you are drivin' me crazy  
You're such a little baby, grow up

Hey, he is no Einstein  
I gotta keep him in line  
'Cuz he burps right in my face

He's such a disgrace

O-Brother, you are drivin' me  
O-Brother, you are drivin' me crazy  
Don't be a baby

O-Brother, you are drivin' me  
O-Brother, you are drivin' me  
You are drivin' me  
You are drivin' me crazy  
You're such a little baby

Hey-ay, hey-ay, hey-ay, hey-ay  
O-Brother, you are drivin' me  
O-Brother, you are drivin' me  
O-Brother, you are drivin' me  
O-Brother, you are drivin' me
