Wake up now  
My purple boy  
Here's your cup of rain  
Spill the joy  
Where is Timbuktu?  
Can you find Afghanistan??  
Hey look, the sun is out  
That's all we really understand  
(This is a happy land)  
Na na na na na...

Down my block  
There's a tragic girl  
She seen a big black hole  
I see a magic world  
Full of stars and moons  
Full of velvet skies  
These are my lucky charms  
They help me get by  
(This is a happy life)

Singing. Na na na na na...

This is a list of what I like:  
Lincoln logs, Picasso  
The ocean when its green,  
Cross-eyed cats, mud,  
Movies where people are insane,  
Things I know a lot about  
And things I can't explain

Na na na na na  
Wake up now  
Na na na na na  
Purple boy  
Na na na na na  
Here's your cup of rain  
Na na na na na  
Spill the joy

This is what I've seen

This is what I mean
