Would you like to take a dare
I could take you out somewhere
You'll have fun
You can't run

It's a dark and eerie place
Park the car, I'll swing the gate
We'll have fun
You can't run

Gobling and ghouls
Like it spooky, like it scary
Playin' it cool
Walkin' in the cementery

Would you like to take a chance
On a creepy circumstance
You'll have fun
You can't run

Gobling and ghouls
Like it spooky, like it scary
Playin' it cool
Walkin' in the cementery

You'll have fun
You can't run

Gobling and ghouls
Like it spooky, like it scary
Playin' it cool
Walkin' in the cementery

Gobling and ghouls
Like it spooky, like it scary
Playin' it cool
Walkin' in the cementery
