Guess you don't remember me
I met you on the street 1st week
Between The Gap and Claire's Boutique
You said, "Eddit Vedder is a geek"

I didn't care if you dropped dead
Forgot you when the light turned red
But now you seem like such a Fred
Maybe I'll get some new CDs instead

Why can't I make up my mind today
To keep it safe or give it away
It's snowing but I'm wishing for rain

Last night I had a dream about him
Had a psycho twin sister two
She had a Keith Parthidge tatoo
And a really stupid crush on you

I didn't care if you dropped dead
This morning when I fell out of bed
I thought I loved Wonder Bread
But now I might love you instead

Why can't I make up my mind today
To keep it safe or give it away
It's snowing so I'm wishing for rain
Wishing for rain
Wishing for rain

Why can't I make up my mind today
To keep it safe or give it away
It's snowing so
I'm wishing for rain
Wishing for rain
Wishing for rain
Wishing for rain

Wish it would rain
