Oh, uh, yeah, check it,
Got em waitin,
Anticipatin, speculatin,
For 3rd wish,
Paintings are spinin,
Ho's are grinnin,
Waiting to serve this,
Young and from out of town,
Who's ready to take em down
With plenty dro burning,
Take a puff and pass it round

Chorus:

Nina, Dulce Nina
Nina abre los ojos sin temor
Piensas, Solo Piensas
Piensas que eres joven para dar tu amor

El otro dia pensando en ti
Y todo el amor que yo te di
Pero non sabia que solamente yo vivi por ti
So many lovers by my side
But when I look into their eyes
I realized that we shared was meant to be

Bridge:

I could fell your smile
I could hear your cries Baby
I used to love the way you'd say my name
And all those nights that you were so naughty
Wid ya hands all over my body

Chorus:

Nina, Dulce Nina
Nina abre los ojos sin temor
Piensas, Solo Piensas
Piensas que eres joven para dar tu amor

Tiempo paso y ya eres mujer
otra oportunidad para entender
Un amor, sin dolor, y temor sera' verdad
If you just realized that the hopes and the lies

every single day I cried, days I cried, days I cried for
you

Bridge:

I could feel your smile
I could hear your cries Baby
I used to love the way you'd say my name
And all those nights that you were so naughty
Wid ya hands all over my body

Chorus:

Nina, Dulce Nina
Nina abre los ojos sin temor
Piensas, Solo Piensas
Piensas que eres joven para dar tu amor

Uh, check it
Please six for two
With lips tattered on his neck
An a persisa nigga sign
Got em scattered on the cheque
Lookin like a lotto ticket
Not a boys model picket
Then they swallow, an lick it
still hopin that we aint kickin
What!
You'd never find a floor to boy like me
Who grind in corduroy jeans an white tees
Coz the pipe we the bomb
Why destroy the mattress
An I love exotic women with foriegn accents
Call em back
Dont hack mo you know i git'it
When I leave a bout hun'ed hickies on a dies neck
I gotta chick but she wouldnt let her playa go
I grab ma keys an head straight out tha door

Chorus:

Nina, Dulce Nina
Nina abre los ojos sin temor
Piensas, Solo Piensas
Piensas que eres joven para dar tu amor

Nina, Dulce Nina
Nina abre los ojos sin temor
Piensas, Solo Piensas
Piensas que eres joven para dar tu amor
