I've been lookin' at you lookin' at me
I bet you're thinkin' that what you get...is what you see
But underneath this cool exterior
A ragin' river flows
So before you get any nearer
I better let you know

CHORUS

I'm an Emotional Girl
I can't help myself
Sometimes I laugh
Sometimes I cry
Sometimes I do both and I don't know why
I've gotta a passionate heart
And that's just the way things are
You and me could give it a whirl
But I warnin' you boy
I'm an Emotional Girl
I like music that's loud and lights down low
I like drivin' my car too fast and dancin' slow
Some folks may say I'm too extreme
'Cause I can't stop once I start
But I never could do anything
With half my heart

CHORUS

I'm an Emotional Girl
I can't help myself
Sometimes I laugh
Sometimes I cry
Sometimes I do both and I don't know why
I've gotta a passionate heart
And that's just the way things are
You and me could give it a whirl
But I warnin' you boy
I'm an Emotional Girl

BREAK

CHORUS

I'm an Emotional Girl
I can't help myself
Sometimes I laugh
Sometimes I cry
Sometimes I do both and I don't know why

I've gotta a passionate heart
And that's just the way things are
TAG
Now, You and me could give it a whirl
But I warnin' you boy
I'm an Emotional Girl
