Ten days too late you show up
With a sheepish grin and a bouquet in your hand
You make mistakes by the dozen
don't think you can make it up the same way again
Flowers after the fact
Ain't gonna get me back
You gotta do soemthing sooner and better than that
When you bring me red roses
There's an ulterior motive
Don't give me flowers after the fact
No part of your heart's ever in it
You're just trying to get your foot back int he door
I might feel liek you meant it
If those long stems had come in the name of love
before
Flowers after the fact
Ain't gonna get me back
You gotta do soemthing sooner and better than that
When you bring me red roses
There's an ulterior motive
Don't give me flowers after the fact

When you bring me red roses

There's and ulterior motive

Don't need no flowers after the fact

Now don't give me flowers after the fact
