Thanks to Monica Kresse for these lyrics.

Dont play that song for me
Cause it brings back memories
Of the days that I once knew
Of the days that I spent with you

Oh no dont let it play
It fills my heart with pain
Please stop it right away
Cause I remember just-a-what it said

It said darling
You know that you lied
Oh you know that you lied
You know that you lied
You lied
You lied

I remember on our first date
You kissed me then you walked away
I was only seventeen
I never dreamed that he could be so mean
Oh darling
Dont you play it no more
Dont you dare play that song
You know you lied Ooh ooh yah
