Thanks to Annie Govekar for these lyrics.

You're all I need to get by

Like the sweet morning dew
I took one look at you
And it was plain to see
You were my destiny

With my arms open wide
I threw away my pride
I'll sacrifice for you
Dedicate my life for you

I will go where you lead
Always there in time of need
And when I lose my will
You'll be there to push me up the hill

There's no no looking back for us
We got love sure 'nough, its enough
You're all
You're all I want to strive for and do a little more
You're all the joys under the sun wrapped up into one

You're all
You're all I need
You're all I need
Oh yeah yeah
You're all I need to get by

Oh you are
Oh you are

Oh yah yah yah Oooh oooh oooh oooh Aww Yah
