It's not you, it's me
It takes so much to satisfy these days
You'll see you've done it all
But it will never end up the same
Can you believe
That our fault was in that snap decision we made
I'm sure you're ticked
But know that we will need you to get on through our
day

Don't hold a grudge
We have to be moving on
I know you can too
Didn't mean to waste your time

You were always there you see
You played your cards right
And now you're finally free
To move on
We're sorry we led you on and on and on and on

It comes down to this
It's done
And that's all I can say
No stone of hate is cast at you
Never cast at you

Don't hold a grudge
We have to be moving on
I know you can too
Didn't mean to waste your time

I know that you don't want to go
I'm sorry
I swear I never ever felt so shallow
It feels so lousy what we did to you
All good things come to an end
So now we're through
