i a beast in the morning yall go see me shineing im
like a beast in the morning yall go see me flying i
got my fokes looking good at the back of my car i can
show them all what it takes and im looking minimum
wage when i should be on the stage then to be lock
up in the cage like a bear getten loose in the zoo
im go show u how i do i dont pick in choose i dont
never brake the rules im a beast at night yall go see
me balling running to the calling im go praise the
lord to i die u know how i speak i dont speak from
my heart cause jesus love no matter what i do he
always
go be my savor lord cause im ba beast in the morning
yall go see me shineing im waiteing on the lord
because
he got the perfect timeing when i know that he aint
giveing up im a beast in the morning yeah im a beast
in the morning beast in the morning beast in the
morning.
