"Forget The Drinks Feat. Dwaine"

Visit "[Forget The Drinks Feat. Dwaine](#)" on MotoLyrics.com

Yeah in front of me is kid Astro
So fresh so high call it swag flow
We got the club filled up with ..
I repeat be a naughty attack ..

Ahh you know we cause it right
This swag so bright make the darkness vibrate
Up and awake kick it all the .. i'm all the rages
All that i am, all that i am super flying
Girls are .. so ..that is far from over
I far from sober ..cup it ..

Chorus:

Forget the drinks got awaken spring them bottles
Wherever we go then you know she gonna follow
She's living with us, you get your girl back tomorrow.
Forget the drinks got awaken spring them bottles
Wherever we go then you know she gonna follow
She's living with us, you get your girl back tomorrow.
She's living with us, you get your girl back tomorrow.
Dropping all for me shawty get going and baby get the
flow for me
Shawty get ..with it hey

Stepping up in the club and my shoes shade
..kind of love 'cause you know i blame
Is where you wanna go is better ..
And i'm tryin seeyeah that's me
And i don't give a shit if she's ..
'cause i never hang around
Somebody hit the lights and go hang with me
I'm famous i go ..my family
'cause fi you do you gotta make hard to me
Make it hard to breathe ..knows shawty till the ..can i get
one please
You get paid ..she gonna leave with me
'cause this is one tell you got a space line

Chorus:

Forget the drinks got awaken spring them bottles
Wherever we go then you know she gonna follow

She's living with us, you get your girl back tomorrow.
She's living with us, you get your girl back tomorrow.
Forget the drinks got awaken spring them bottles
Wherever we go then you know she gonna follow
She's living with us, you get your girl back tomorrow.
She's living with us, you get your girl back tomorrow.
Dropping all for me shawty get going and baby get the
flow for me
Shawty get ..with it hey

..got me flyin to the old zone
Girl i wanna kick it in the ..
Got my .. solo
Now i'm sayin little like a ..
I see your girl .. there's no way she deny me
She see how deep my pocket is
..from the whisky and the rum got an numb bitch
Poppin got me dizzy i got ..in my lung
I say baby where you like it ..money ..i say ooh
..if i got you know

[Chorus:]

Thanks to garbo
