Cause she is a hot girl
When she is moving she takes my breath away
Hot girl
Her body keeps the fire burning in me
I could be your .. why don't you let your body go
Cause she is a hot girl
La la la rid a
Lari da rid a rid a
I got a hot girl sitting on me
Something .. tsunami
Taste them up like origami
Make a .. for her mommy
Mommy mommy
Got so sorry
Super duper fly man
This really want me
When I chew .. keep it tight
Or let it lose .. vodka you ain't know which one to chose
Cause she is a hot girl
Yeah she is so hot
.. why you keep me waiting while these dudes are
hating
.. let's just start love making
Hot girl
Baby girl got a bad round .. bad ass
Yeah she loves me .. DJ bring it back like a replay
.. all goes done in the back of the truck ..
she is a hot girl
When she is moving she takes my breath away
Hot girl
Her body keeps the fire burning in me
I could be your .. why don't you let your body go
Cause she is a hot girl
Who the fuck do you think you are
Coming here looking so damn hot
Get the world on pause
.. all you got that's cute ..
Sorry I have forget what my manners are ..
She is devious so scandalous .. this one is so talented
I am gonna let her know ,
she is a hot girl

When she is moving she takes my breath away
Hot girl
Her body keeps the fire burning in me
I could be your .. why don't you let your body go
Cause she is a hot girl

Thanks to feel
