\* Wanna be your sight  
Wanna be your star  
I believe, make your way your freedom  
Mighty heart, so mighty love  
Holy road

Yoru o Ikutsu mo koete  
Aa, sagashi Tsuzuketa  
Itsuka Meguri au hazu  
Tesaguri no Kioku o hiki yosete

Yami o samayoi, toki o kakenuke  
Kizuna o saigo no chizu ni  
Soshite anata mitsuketa

\* repeat

Through the midnight star  
Through the midnight wave  
Missing love, now I keep on searching  
Catch your heart, so catch your day  
Holy road

Ima wa Watashi no tame ni  
Aa, kizutsuki Hatete  
Anata o Mamoreru dake no  
Hontou no Chikara o kudasai

Ai wa samayoi, yume wa togirete  
Kizuna o saigo no chizu ni  
Soshite anata mitsuketa
