I can be the moodiest baby and you've never met  
anyone

Who is as negative as I am sometimes

I am the wisest woman you've ever met.

I am the kindest soul with whom you've connected.

I have the bravest heart that you've ever seen

And you've never met anyone

Who's as positive as I am sometimes.

You see everything, you see every part

You see all my light and you love my dark

You dig everything of which I'm ashamed

There's not anything to which you can't relate

And you're still here

I blame everyone else, not my own partaking

My passive-aggressiveness can be devastating

I'm terrified and mistrusting

And you've never met anyone as,

As closed down as I am sometimes.

You see everything, you see every part

You see all my light and you love my dark

You dig everything of which I'm ashamed

There's not anything to which you can't relate  
And you're still here  
What I resist, persists, and speaks louder than I know  
What I resist, you love, no matter how low or high I go  
I'm the funniest woman that you've ever known  
I'm the dumbest woman that you've ever known  
I'm the most gorgeous woman that you've ever known  
And you've never met anyone  
Who is as everything as I am sometimes  
You see everything (you see everything),  
you see every part (you see every part )  
You see all my light (you see all my light)  
and you love my dark (and you love my dark )  
You dig everything (you dig everything)  
of which I'm ashamed (of which I'm ashamed)  
There's not anything (there's not anything)  
to which you can't relate (to which you can't relate)  
And you're still here  
(You see everything, you see every part)  
And you're still here  
(You see all my light and you love my dark)  
And you're still here  
(You dig everything of which I'm ashamed)  
(There's not anything to which you can't relate)  
And you're still here...
