kill the drummer

kill the bass player

kill both bass players

this song is so hip right now

I'm going deaf

I wanna kill the singer

kill the 3x bass expansion unit

kill the drummer

he can't play

yeah I wanna make it alright

kill my headache

kill the sugar

kill the honeybees way off time

strip it down

take it to the house

kill the singer

(One of us will will fall

there is no time)

Make it alright

kill the sexplayer

kill the saxplayer

make it, all right
