Age 14 we got you down on your knees
So polite, you're busy still saying please
Fri-enemies, who when you're down ain't your friend
Every night we smash their Mercedes-Benz
First we run and then we laugh till we cry
But when the night is falling
and you cannot find the light
If you feel your dream is dying
Hold tight
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget you only get what you give
Four a.m. we ran a miracle mile
were flat broke but hey we do it in style
The bad rich
God's flying in for your trial

[chorus]

This whole damn world can fall apart

You'll be ok follow your heart

You're in harms way

I'm right behind

Now say you're mine

[chorus]

Fly high

What's real can't die

You only get what you give

Just don't be afraid to leave

Health insurance rip off lying FDA big bankers buying

Fake computer crashes dining

Cloning while they're multiplying

Fashion mag shoots

with the aid of 8 dust brothers Beck, Hanson

Courtney Love and Marilyn Manson

You're all fakes

Run to your mansions

Come around

We'll kick your ass in!

Don't let go

One dance left

[unsaid lyrics from liner]

Championed by a soulless media misleading

people unaware they're bleeding

No one with a brain is believing

It's so sad you lost the meaning

Never knew it anyway

Human natures so predictable

I'm a fool to do your dirty work whoa, whoa
