Wanna take some time
And take you serious
Gotta take a position

The way that
We've been hanging out
It should be obvious

I admit it, baby
I want you for my girlfriend

You make me nervous
You make me shout
You turn me, baby, inside out

But most of all, I'm satisfied
Whenever you're around
Yet I get this feeling
That you're gonna turn me down

Can't keep this secret
Got to let you know my heart
You've been my weakness
I've been loving you
Right from the start

I want you, baby
I want you for my girlfriend
(I want you for my girlfriend)

All the fellas seem to think
That you're my number one
I can't stop what they're thinking

But the truth is that
We're really only having fun
Honestly, I want to be
Your boyfriend, well

You make me nervous
You make me shout
You turn me, baby, inside out

But most of all, I'm satisfied
Whenever you're around
Yet I get this feeling
That you're gonna turn me down

Can't keep this secret
Got to let you know my heart
You've been my weakness
I've been loving you
Right from the start

I want you, baby
I want you for my girlfriend
I want you, baby
Baby, won't you be my girlfriend

Girlfriend, girlfriend

I want you, baby
I want you for my girlfriend
Please be mine
I want you, baby
Baby, won't you be my girlfriend

I want you, baby
I want you for my girlfriend
I want you, baby
Baby, won't you be my girlfriend

'Cause I love you and I need you
And, girl, I got to have you, baby
(Girlfriend) listen up, ha

I want you, baby
(Be my girl, be my baby)
I want you for my girlfriend

Be my (girlfriend) be my baby...
