â€œBeyond Wordsâ€

(Verse 1)

Tell me

This isnâ€™t your solution

Cause Iâ€™m not satisfied

Yeah, the worldâ€™s got enough problems

For you to throw around your lies

Convince me that thereâ€™s no other

That Iâ€™m the only one

Cause it feels like

(Chorus)

Everything is upside down

Can anybody turn it around

Stronger feelings beyond words

Taking, oh taking over these emotions as I go

Oh

(Verse 2)

Trust

I never quite believed the word

Full of promises

It feels more like a riddle

Under different circumstances

(Bridge 1)

And no one here can save me now

As I try I weigh my options out

Just to see that

(Chorus)

Everything is upside down

Can anybody turn it around

Stronger feelings beyond words

Taking, oh taking over these emotions as I go

Oh

(Bridge 2)

As I lie awake

There's nothing here left to convey, whoa  
As I tell the truth there's nothing left, but shame  
Just to see that

(Chorus)

Everything is upside down  
Can anybody turn it around  
Stronger feelings beyond words  
Taking, oh taking over these emotions as I go , Oh

And (every), everything is upside down  
Can (any) anybody turn it around  
Stronger feelings, beyond words  
Taking oh taking over these emotions as I go  
oh, oh, oh, oh, oh, oh...
