Today's another day I'm happy to say
to come and find out possibilities today
You know you'll never have to ask me to stay
Cause every time I try to run away
I'm reminded of your embrace.

(Chorus)

As I continue to be under your spell
It's no wonder I can't sit around
Without you in my head
Cause it's you, you
You're the only one for me
Yes, it's you, you
You're the only one I see
And it's you
Come and take me, take me away
Say you'll love me everyday, oh

I'm captivated by your smile,
Your beauty, and your caress.
You know you'll never have to worry
cause I'll dry your eyes and hold you close
and nothing less.

(Chorus)

As I continue to be under your spell
It's no wonder I can't sit around
without you in my head
Cause it's you, you
You're the only one for me
Yes, it's you, you
You're the only one I see
And it's true
Come and take me, take me away
Say you'll love me everyday

Oh as I continue to be under your spell
It's no wonder I can't sit around
without you in my head
Cause it's you, you
you're the only one for me

Yes, it's you, you
You're the only one I see
And it's you
Come and take me
Take me away
Say you'll love me everyday

Oh...
It's you come take me away, oh oh
