Is it love that's in your eyes all the way

If I listen to your lies would you say

I'm a man without conviction

I'm a man who doesn't know

How to sale a contridiction

You come and go, you come and go

CHORUS :

Karma karma karma karma karma kameleon

You come and go, you come and go

Loving would be easy if your colours were like my  
dreams

Red, gold and green

Red, gold and green

If I hear your wicked words every day

And you used to be so sweet I heard you say

That my love was an addiction

Where we'll be our love is strong

When you go you're gone forever

Just dream along, just dream along

CHORUS

Every day is like survival

You're my lover, not my bible

Every day is like survival

You're my lover, not my bible

I'm a man without conviction

I'm a man who doesn't know

How to solve a contradiction

You come and go, you come and go

CHORUS (X4
