War

war is stupid and people are stupid

And love means nothing in some strange quarters.

War

war is stupid and people are stupid

And I heard the banging of hearts and fingers: war!

People fill the world with narrow confidence

Like a child at birth

a man with no defence.

What's mine's my own

I won't give it to you

No matter what you say

no matter what you do.

Now we're fighting in our hearts

Fighting in the street

won't somebody help me?

War

war is stupid and people are stupid

...

Man is far behind in the search for something new

Like a philistine we are burning witches too.

This world of fate must be decined for you

In matters what you say

in matters what you do.

Now we're fighting in our hearts

. . .

War

war

war

war

war

war

war

. . .

After the bird has flown he walked ten thousand miles  
back home.

You can't do that to me - no

you can't do that to me.

You can't do that to me - no

you can't do that to me.

-War-War-

In this heart of mine I'll find a place for you

For black or white

for grown up children too.

Now we're fighting in our hearts

. . .

War

war is stupid and people are stupid

. . .

No more war

and no more war

no more .
