"Time"

Don't put your head on my shoulder

Sink me in a river of tears

This could be the best place yet

But you must overcome your fears

Ooh, in time

It could have been so much more

The time is precious I know

In time

It could have been so much more

The time has nothing to show

Because

Time won't give me time

And time makes lovers feel

Like they've got something real

But you and me

We know we've got

Nothin' but time

And time won't give me time

Won't give me time

(Time, time, time)

Don't make me feel any colder

Time is like a clock in my heart

Touch we, touch was the

heart too much

I felt I

Lost you from the start
