[Verse One]

Yo, I need a gangsta bitch; she don't sleep and she  
don't play  
Stickin up girls from around the fuckin way  
Strapped but lovable, hateful but huggable  
Always in trouble and definitely fuckable  
See her now, booms and pounds, she's mine friend  
Puffin on a blunt, sippin on a Heineken  
She's got charm, a firearm to match mine  
Goin to the movies packin his and her nine's  
Wearin Carhart and leather, motherfuck the weather  
On Valentine's Day, doin stick-ups together  
No one to blame, no shame in her game  
And when we fuck she makes me scream out her name  
She's not petty, confidant, ready  
Right for late night, we play fight with machetes  
This goes out to all the gangsta hoe pros  
Give me a ghetto girl, fuck a Soul Train hoe

[Chorus: Apache]

I need a gangsta bitch yo (a gangsta bitch)  
I want a gangsta bitch (a gangsta bitch)  
I wanna "Gangsta boogie!" with my (gangsta bitch)  
I need a (gangsta bitch) I want a (gangsta bitch)  
I want a gangsta bitch yo (a gangsta bitch)  
I need a gangsta bitch (a gangsta bitch)  
I wanna "Gangsta boogie!" with my (gangsta bitch)  
I need a (gangsta bitch) I want a (gangsta bitch)

[Verse Two]

She likes to party with her posse and drink beer

Pour a little bit out for the sisters who ain't here  
She's not the one, player you might get done  
Her idea of fun's takin her son shoppin for a gun  
Likes to dress to impress, quick to attack  
When your punk-ass boys run, you know she's got your  
back  
In a Benz with her friends, aiyyo Jeep kid  
Drivin down the street pumpin, "Apache you ain't shit!"  
Snappin on niggaz, takin no shorts  
Sittin on a porch, pullin on a Newport  
Minds her business, knows cause she hears things  
Fat herringbone and diamond studded earrings  
She's a thoroughbred, walks and talks with class  
Try to get fast, she just might slap your ass  
Come meet my moms, but the two might not click  
Parents just don't understand..

[Chorus: Apache]

I need a gangsta bitch (a gangsta bitch)  
I want a gangsta bitch yo (a gangsta bitch)  
I wanna "Gangsta boogie!" with my (gangsta bitch)  
I need a (gangsta bitch) I want a (gangsta bitch)  
I want a gangsta bitch yo (a gangsta bitch)  
I want a gangsta bitch (a gangsta bitch)  
I wanna "Gangsta boogie!" with my (gangsta bitch)  
I need a (gangsta bitch) I want a (gangsta bitch)

[Verse Three]

I had a church girl, quiet girl, one girl was rich  
The most memorable girl was a gangsta bitch  
We went out a lot, sometimes we dressed the same  
Lickin shots in the park and had pet names  
I called her 'Dollars' cause that's what she liked to  
spend  
She called me 'Diamond' cause my dick was her best  
friend  
If you owed her dough, then you had to pay  
Bought her an AK for her 21st birthday  
We packed up and shacked up, didn't need a job  
Engaged to a criminal and married to the mob  
I gave MC's injuries and beat 'em down  
While she's, pickin up ki's, from Uptown  
Sad to say one day got caught out there  
I shed tears when the judge said five years  
She's gone now so it's time to make my switch  
So who'll be my next gangsta bitch?

I need a gangsta bitch, yo! (a gangsta bitch)  
I want a gangsta bitch (a gangsta bitch)  
I wanna "Gangsta boogie!" with my (gangsta bitch)  
I need a (gangsta bitch) I want a (gangsta bitch)

I want a gangsta bitch (a gangsta bitch)  
I want a gangsta bitch yo (a gangsta bitch)  
I wanna "Gangsta boogie!" with my (gangsta bitch)  
I need a (gangsta bitch) I want a (gangsta bitch)

[Apache]

Yeah, yeah.. (a gangsta bitch)  
This shit goes out to all the gangsta bitches Uptown (a gangsta bitch)  
All the gangsta bitches in Brooklyn, Long Island (gangsta bitch)
