Ive been waiting for this moment

For all my life

Oh Lord

Well if you told me you were drowning

I would not lend a hand

Ive seen your face before my friend

But i dont know if you know who i am

Well i was there and i saw what you did

I saw it with my own two eyes

So you can wipe of the grin

I know where youve been

Its all been a pack of lies

I can feel it

Coming in the air tonight

Oh Lord

Ive been waiting for this moment

For all my life

Oh Lord, Oh Lord

Well i remember

I remember dont worry

How could i ever forget

Its the first time

The last time

We ever met

But i know the reason why you keep me silenced up

No you dont fool me

Cause the hurt doesnt show

But the pain still grows

Its no stranger to you and me

I can feel it

Coming in the air tonight

Oh Lord

Ive been waiting for this moment

For all my life

Oh Lord, Oh Lord
