imes are strange
We've got a free upgrade for snakes on a plane
Fuck em I don't care
Pop the cheap champagne, we're goin' down in flames

I'm ready for it--come on bring it!

So kiss me goodbye
Honey I'm gonna make it out alive
Kiss me goodbye
I can see the venom in their eyes.

It's time to fly
Tonight the sky's alive
With lizards serpentine
Lounging in their suits and ties
WATCH THE WHORES PARADE, FOR THE PRICE OF FAME

Ladies and gentlemen,
Snakes is slitherin'
With dollar signs in their eyes
And tongues so reptilian
This industry's venomous
With cold-blooded sentiment
No need for nervousness
We're headed for some turbulence
