Single-sided conversations; too much time spent alone.

Even though my heart is breaking, you don't even know.

Today, I was thinking about us; what I'd do without you.

I was lost in reflection when I found the truth.

Can't think of one reason

To try and find a way to make this work.

Through crying, through denying.

Tired of pretending I don't hurt.

So, I've been thinking:

Maybe my heart's better off broken.

Sometimes staying is the easy way out.

But, I can't ignore this pain.

Made up my mind to get it over now,

'Cuz you're not gonna change.

Can't think of one reason

To try and find a way to make this work.

Through crying, through denying.

Tired of pretending I don't hurt.

So, I've been thinking:

Maybe my heart's better off broken.

Better off broken.

Can't think of one reason

To try and find a way to make this work.

Through crying, through denying.

Tired of pretending I don't hurt.

So, I've been thinking:

Maybe my heart's better off broken.

Better off broken
