CHORUS:)

When you've got a dream like mine
Nobody can take you down
When you've got a dream like mine
Nobody can push you around

Today I dream of how it used to be
Things were different before
The picture shifts to how it's going to be
Balance restored

When you know even for a moment
That it's your time
Then you can walk with the power
Of a thousand generations

(Chorus)

Beautiful rocks -- beautiful grass
Beautiful soil where they both combine
Beautiful river -- covering sky
Never thought of possession, but all this was mine

When you know even for a moment
That it's your time
Then you can walk with the power
Of a thousand generations

(Chorus)
