disharmony gives way  
to mute helplessness  
not enough communication  
too much not expressed

it's all too easy  
to let go of hope  
to think there's nothing worth saving  
and let it all go up in smoke

what about the the bond

(Chorus:)  
what about the mystical unity  
what about the bond  
sealed in the loving presence of the Father

dysfunction  
of the institutions  
that should give a frame to work in  
got to find our own solutions

confusion  
pressure from all sides  
got to head right down the centre  
in the love that will abide

what about the bond  
(repeat chorus)

man and woman  
made to be one flesh  
nobody said it would be easy  
but can we let go now and fail the test?

now you could say  
life is full of moving on  
but do you want the pain that's  
already been spent  
to all be wasted -- c'mon

what about the bond  
(repeat chorus)
