(From the album "Night Vision")

so we wait beside the desert  
nothing left to give away  
naked as the Hanged Man's secrets  
nothing left to do but pray

you don't have to play the horses  
life's a gamble all the same  
it don't take much to make you lose sight  
of the object of the game

anyone can be a soldier  
it's a prevalent disease  
oh God i don't know where to step now  
help me find the right road please

so we wait beside the desert  
nothing left to give away  
naked as the Hanged Man's secrets  
praying for the break of day
