They're on the starting line, doves in the air-air Eyes on a target, enemy everywhere Here she comes again now, hear the crowd sigh Down on my courage Say come on, come on, come on, come on, yeah-yeah

Hey let's go, let's go, let's go Hey let's go, let's go, let's go - Hey let's go, let's go She's the one, she's the one, she's the one, she's the one She's the one, she's the one, she's the one

Gotta stop my tremblin', gotta do it right Lookin' in the mirror, fix my hair right Here she comes again now, hear the boys sigh Feel my heart a-thumpin' Say come on, come on, come on, yeah-yeah

Hey let's go, let's go, let's go Hey let's go, let's go, let's go - Hey let's go, let's go She's the one, she's the one, she's the one, she's the one

She's the one, she's the one, she's the one

In my dreams I've seen this, maybe a thousand times In my dreams I've known that I've gotta make the girl mine, mine, mine, mine Gotta stop my tremblin', I've gotta do it right Feel my heart thumpin' Say come on, come on, come on, yeah-yeah

Hey let's go, let's go, let's go Hey let's go, let's go, let's go - Hey let's go, let's go She's the one, she's the one, she's the one, she's the one She's the one, she's the one, she's the one

Hey let's go, let's go, let's go Hey let's go, let's go, let's go - Hey let's go, let's go She's the one, she's the one, she's the one, she's the one
