Where is my paradise,
now that youre gone,
Where are those haunting eyes?
You were the one, for me.

I miss your hula hands
that sang and danced for me,
Your caress in the night,
under that palm tree, swaying.
Ooo, Waikiki,
where I first met you.
Sands of Silver and Gold.

Take me back to paradise
to my sandy shores.
Where we surfed the rolling waves.
Sun shining every day.
Ooo, Waikiki.

Where is my paradise,
Now that youre gone,
Where are those haunting eyes?
You were the one, for me.
Ooo, Waikiki,
where I first met you.
Sands of Silver and Gold.
