True Companion by Marc Cohn

Baby I've been searching like everybody else  
Can't say nothing different about myself  
Sometimes I'm an angel  
And sometimes I'm cruel  
And when it comes to love  
I'm just another fool  
Yes, I'll climb a mountain  
I'm gonna swim the sea  
There ain't no act of God girl  
Could keep you safe from me  
My arms are reaching out  
Out across this canyon  
I'm asking you to be my true companion  
True companion  
True companion

So don't you dare and try to walk away  
I've got my heart set on our wedding day  
I've got this vision of a girl in white  
Made my decision that it's you allright  
And when I take your hand  
I'll watch my heart set sail  
I'll take my trembling fingers  
And I'll lift up your veil  
Then I'll take you home  
And with wild abandon  
Make love to you just like a true companion  
You are my true companion  
I got a true companion  
True companion

When the years have done irreparable harm  
I can see us walking slowly arm in arm  
Just like the couple on the corner do  
'Cause girl I will always be in love with you  
And when I look in your eyes  
I'll still see that spark  
Until the shadows fall  
Until the room grows dark

Then when I leave this Earth  
I'll be with the angels standin'  
I'll be out there waiting for my true companion  
Just for my true companion  
True companion  
True companion
