Kill a motherfuckin' hoe, kill a motherfuckin' hoe  
Kill a motherfuckin' hoe, kill a motherfuckin' hoe

It's the Mack Freeze I'll flow to any type of rhythm  
Bring me all ya bitches and I just might screw 'em  
Me no have no morals when it comes to hoes  
Or any other bitches that ever got told  
So these hoes gotta learn it out way  
And these niggas y'all just can't fade  
Now I'm wrapped up in this Cold World shit  
Creepin' on these bitches and tryna get rich  
2-9-2 is the code for the click  
IF YOU DIDN'T KNOW THEN YOU PROBABLY A BITCH!  
HEEEEEYYYYYYYY!!!!

Kill a motherfuckin' hoe, kill a motherfuckin' hoe  
Kill a motherfuckin' hoe, kill a motherfuckin' hoe  
Kill a motherfuckin' hoe, kill a motherfuckin' hoe  
(shout until fade)
