Chorus:

Half of my blood is Cain's blood  
Half of my blood is Abel's  
One eye looks to Heaven  
One eye looks for trouble

Sweet mother, she sang in the Sunday choir  
On her head was a halo, she spoke brimstone and fire  
Daddy lived by the bottle, Daddy died by the barn  
Well, he froze one night, Mama said "Serves him right"  
"The devil can keep him warm"

(Repeat Chorus)

Guess I always saw myself as a simple man

But there's a man in the mirror I don't understand  
Every day I fight it, but I know down deep  
It's the secrets I've been keeping  
Rising from their sleep

(Repeat Chorus)

There's an angel and a devil playing tug of war with my  
soul  
The battle rages on each and every day  
It's all I can do just to try to maintain control  
My one and only hope is get on my knees and pray

(Repeat Chorus)
