Bono:

Mother, mother

There's too many of you crying

Chris:

Brother, brother, brother

There's far too many of you dying

You know we've got to find a way

To bring some lovin' here to stay

Bono:

Father, father

We don't need to escalate

And war is not the answer

For only love can conquer hate

Chris:

You know we've got to find a way

To bring some lovin' here to stay

Picket lines won't block our way

Bono:

Don't punish me with brutality

Talk to me, and you can see

What's going on

What's going on

What's going on

What's going on

Father, father, everybody thinks we're wrong

But who are they to judge us

Together we can be strong

Chris:

You know we've got to find a way

To bring some lovin' here to stay

Picket lines won't block our way

Don't punish me with brutality

Talk to me, so you can see

What's going on, What's going on

What's going on, What's going on

What's going on, What's going on

What's going on, What's going on
