Just because I'm losing  
Doesn't mean I'm lost!  
Doesn't mean I'll stop  
Doesn't mean I'm across

Just because I'm hurting  
Doesn't mean I'm hurt  
Doesn't mean I don't get what I deserved  
No better and no worse

I just got lost  
Every river that I tried to cross  
Every door I ever tried was locked  
Oh and I'm just waiting 'til the shine wears off

You might be a big fish  
In a little pond  
Doesn't mean you've won  
'Cause a long may come  
A bigger one

And you'll be lost  
Every river that you tried to cross  
Every gun you ever held went off  
Oh and I'm just waiting until the firing stopped  
Oh and I'm just waiting 'til the shine wears off

[Jay-Z]  
Aha, I gotcha, uh...  
With the same sword they knight you, they gon' good  
night you with  
Shit, that's only half if they like you  
That ain't even the half what they might do  
Don't believe me, ask Michael  
C. Martin, see Malcolm  
See Biggie, see Pac, see success and its outcome  
See Jesus, see Judas  
See Caesar, see Brutus, see success is like suicide  
Suicide, it's a suicide  
If you succeed, prepare to be crucified  
Media meddles, niggaz sue you, you settle

Every step you take, they remind you you're ghetto  
So it's tough being Bobby Brown  
To be Bobby then, you have to be Bobby now  
And the question is, "Is to have had and lost  
Better than not having at all?"  
Because I'm...

Oh and I, just waiting 'til the shine wears off  
Oh and I, just waiting 'til the shine wears off
