I want a tall skinny papa  
Yeah!  
I want a tall skinny papa  
Yeah!  
I want a tall skinny papa  
Yeah!  
I want a tall skinny papa  
Yeah!  
I want a tall skinny papa  
That's all I'll ever need  
She wants a tall, tall, tall skinny papa  
Tall, tall, tall skinny papa  
Tall, tall, tall skinny papa  
I want a tall skinny papa  
That's all I'll ever need  
He's got to be all mine  
Treat me fine  
Walk the chalk line  
And stay on my mind  
He's got to be alright  
Learn to fight all night  
Mama will do the rest  
And now how 'bout that, Miss?  
He's got to do what he's told  
And bring sweet mama that gold  
Satisfy my soul  
He's gotta be tall  
Yeah!  
Tall  
Yeah!  
He's gotta be tall  
Yeah!  
Tall  
Yeah!  
I want a tall skinny papa  
That's all I'll ever need
