Oh, we heard church people say
They are in the holy way
There are strange things happening everyday
Oh, the last man judgment day
When they drive him all away
There are strange things happening everyday

There are strange things happening everyday
If you want to view the climb
You must learn to quit your lyin'
There are strange things happening everyday
If you heal right through the lies
You can live right all the ties
There are strange things happening everyday

There are strange things happening everyday
Jesus is the holy light
Turning darkness into light
There are strange things happening everyday
He gave the blind man sight
When he praised Him with all his might
