Ooh-ooh
Thought I'd seen everything
There was to see in this world
Now I'm not so sure
I've really seen anything at all
I thought life, could show me no surprises
And then you came, and showed me I was wrong
1-I have seen the bluest skies
Rainbows that would make you cry
I have seen miracles that moved my soul
Days that changed my life
I have seen the brightest stars
Shine like diamonds in the dark
Seen all the wonders of the world
But I've never seen a smile
As beautiful as yours, ooh-ooh, yeah
Oh I thought I'd been everywhere
I'd climbed a mountain so high
Sailed the sea, crossed the sky
And still I was nowhere at all
Until that day, oh, you came to my senses
And your smile it made sense out of it all
(repeat 1)
A smile so beautiful, so beautiful
Come one time in a lifetime
A smile this beautiful
I never dreamed I'd ever see, ah, ah, ah
(rpt 1...)
A smile before as beautiful
As beautiful as yours
