I really enjoyed ya, yes, I did

We got to get together and do it all again some time

Though it's been quite a while since we've been
together

I can't get you right off my mind

So I'm simply asking you, Baby, can we get together

Oh gee, can we get together again

I wanna know, when can we get together

Some day (some day), some way (some way)

You're a miracle boy, that's what you are (hoo, hoo,
hoo, hoo)

You're that part of me that I been missing (hoo, hoo,
hoo, hoo)

Before you came along I was alive, that's true

But I was just barely, barely attempting, yeah

Can we get together, Baby, Baby

Please can we get together again

Oh, when can we get together

Some day, (some day) some way (some way)

Yeah, yeah, yeah, yeah

You brought so much sunshine, yeah

Into this empty life of mine

I'm pray the day will call when we get together again

Stop me from easing and blocking and squeezing

Stop me from pushing, and loving, and pushing

Come on, (can we get together) yeah yeah

(Baby, Baby, please) yeah, yeah, yeah

(Can we get together again)

You know that you and me should be together

(When can we get together) Oh

Yeah, yeah, together, Baby, (some day)

Baby, Baby you and me (some way)

You and me better (can we) get together (get together)

(Baby, Baby, please can we)

We better get together (Get together again), oh, yeah

Let's get together, (when can we) oh, yeah, (get together)

Yeah, yeah, yeah, yeah, (some day)

Yeah, yeah, yeah (some way)

(Can we) Oh, (Get together) let's get together

Baby, (Baby, Baby, please can we) you and me should be

(Get together again)

Together, Baby, Baby, you and me

(When can we get together) should be

Together, Baby, Baby, we should really

(Some day) really be together

Baby, (some way) oh, oh

(Can we) Yeah, yeah, yeah, (get together)

Yeah, yeah, (Baby, Baby, please)

Yeah, yeah, yeah, (can we) yeah

Ooh, (get together again) real soon, you

(When can we get together) you

Come home to me soon, (some day)

Real soon, real soon (some way)
