You're my morning star, shining brightly beside me
And if we keep this love, we will last through all eternity
Just the way we are, I love it, love it,
It's just the way it should be
Cuz our love will stand tall as the trees
Our love will spread wide as the sea
Our love will shine bright in the night
Like the stars above and we'll always be together
(Our love)

My love is surely one thing you can surely depend on
In times of darkness and fear I go to you
I know you'll make me strong
You're gonna make me happy and you're gonna make
me smile

Cuz our love will stand tall as the trees
Our love will be for the whole world to see
Our love will change people's wrongs to right
And we'll never die, cuz we'll always have each other-----

-

Ha--ooh, ooh, ooh, ha, ha
Our love will stand tall as the trees
Our love will spread wide as the sea
Our love will shine bright in the night
Like the stars above and we'll always be together, yeh
Our love, we got a good old fashion love, hey, hey baby
Our love, we got a mighty, mighty good love, hey, ha
Our love, we got a mighty, mighty good love
Ooh that's right, bring it down, just a little
Cuz love is soft, love is sweet, Love is nice, love is
gentle
Love is joy, love is pain, Love is laughing in the rain
I got love on my mind
Love is always right on time
Love is you, love is me
Love is just a little baby
I got love on my mind
Love is always right on time
Love is you and love is me
Love is gonna set you free, yeah
(Our love)
Ah yeah, yeah, yeah, yeah

Ooh, ooh, (repeat)
