Unforgettable - Natalie Cole
Unforgettable, that's what you are
Unforgettable, thought near or far
Like a song of love that climbs to me
is the thought of you that stings to me
Never before
has someone been more
Unforgettable, in every way
And forever more, that's how you stay
That's why, darling, it's incredible
that someone so unforgettable
thinks that I am
unforgettable too
(piano & sax)
No, never before
has someone been more
Unforgettable, in every way
And forever more, that's how you stay
That's why, darling, it's incredible
that someone so unforgettable
thinks that I am
unforgettable too
