Oh, Baby, sssss, oh, it's so good, hm, umm,

Umm, umm, umm, umm, umm, hm, get it, Baby, get it

You've been with me through the hardest times

And you've kept my heart, body, soul and mind
together

(You, you, you) It's been us two against the world

It ain't been easy but we sho' made it together

Thanks to (you, you, you) you, you, you

All I wanna say is Baby (Baby) oh my Baby (Baby)

I love you (I love you, hoo, hoo) hoo, hoo

Oh, yeah, Baby (Baby) oh my Baby (Oh my Baby)

I love you, hoo, hoo (I love you, hoo, hoo)

Hoo, yeah, yeah

When my world had fallen to the ground

Your love was there always around

And I love you, and I love you, hoo, I love you, hoo, hoo

Ho, oh---, the world keeps changing in which we live

Sometimes people just don't have the time to give

That very special part of them that keeps our love
together

Oh Baby, take my love, I hope you keep this forever

You (I love you) God bless you

(I love you) I love you (I really do)

Oh, hoo (Hey, hey and I love, I love you) I love you (I love you)

Yes I do, oh (I really do) its you, Baby, you, Baby, oh

(Hey, hey, and I love, I love you, I love you)

My, my, my, my, my, my (I really do) oh, yes
