### "The Ladder"

Climbing, climbing, climbing,  
climbing...

Look, at how futile this is,  
I'm so weak, so fragile, so torn.  
Going round and round, going inside  
To the circle, to the ladder, to the sky.

I am climbing a ladder of urgency  
Climbing a ladder of hope  
Climbing a ladder of my emotions  
Climbing a ladder of unraveling rope.

You see, what you want to see,  
But I'm not, what you wanted, no I'm not.  
I am only one thing, one thing I see,  
One thing I feel.

(Chorus)

Climbing...  
I am only one thing, one thing I see, one  
thing I feel  
I am the ladder.
