All about that static Nigga

Don't make us grab a Nigga

Pump that automatic Nigga

See you had a Nigga

You can put that on ya daddy Nigga

Keepin' Niggas on respirators

Die Nigga die, see ya later

Have no time for playa haters

Only God can save ya

Better pray now, cause once we sprayed ya

Ain't no comin' back alive, that

You can try to bust back, but fuck that

Gotta crew for the Niggas that's bout that

Railway gangsta message text

Hit ya in your neck, your chest and your back

Fuck the police, fuck peace

Release the heat, you're deceased

Verse 2:
[Ghetto Twiinz]
Yes, we some ass-splitters
Home-killas

Burnin' rubber on the curve smokin' herb
Niggas fuckin' with our nerve
It's time to serve
Let's go get 'em
Let's go get 'em
Uhuh
Watch us hit 'em
Watch us split 'em
If y'all bitches ain't bout it
Then y'all safe to get rowdy
If you think you gon win us
Up against us we doubt it
You be the tall gift,
for fuckin' with the wrong bitch
You better grab your Chrome wicked less
Get it on bitch huh
We some soldiers, done told ya
We be thuggin' for life
Slash your neck with a knife
You be gone by the night
You bout that gangsta, gangsta
We bout that gangsta, gangsta
You bout that gangsta, gangsta
We bout that gangsta, gangsta
We gangstas, Nigga

Verse 3:

[2-4]

We gagnstas, Niggas

Uh, uh

Run it up on me

A really Nigga roll

I'ma get to bust 'em

S-N-Y-P-A-Z clearin' blocks for no discussion

And rushin' up adrenaline

Plus I'm flusin' brew and drop a cent in 'em

Chi-town really know

With my boys Buck and Craig in 'em

Hoes, I never beg in 'em

I be spittin' that double G (What's that)

You put the third leg in 'em

Uh, word, to my son

One, Deuce

He gettin' paid, cause we laid

down that solid-ass juice, truce

Now who's the next to slip the news around they dick

Fuckin' with my click that's what you get

Better yet this pig

Fuckin' blood,

That's the only way we showin' love

I love to see you bleedin'

On a picture you be readin'

R-I-P

Peace to all them Snypaz on M-O-N-R-O-E

And the Ghetto T-W, double I, N-Z

Chorus x1

Verse 4:

[G-Mone]

You don't wanna visualize

That Nigga G, evil eyes

These tentensees, please

Pussin' you can die fuckin' with me

Luckily, hung with the G-E-T till the TO Twiinz

And my gun's down, flick, click

Move shit, cause I'm feelin' bustas again

Ready with 2 clips, so who is this

Fuckin' with me

Fuckin' with you

Nigga, who knew I blew his fuckin' brains out

If pointed out him died to

Why not had you be mindin' your business

But no, snitch, witness this splittin' window

And this what I'm thinkin' as I dig slow

Snitch, Bitch, trippin'

Let's listen while I laugh some mo'

6 feet deep

? is now walking through the creep
Defeated to see
Cause y'all already buried
Bitch, we be bout gangsta shit
We gangstas Nigga
