I'll be on the road to nowhere  
Before you know i'm gone  
Six days of sex and sun  
Finally got my blue jeans on  
Oh, it's a long long way  
but I might make it with a little faith  
And it's pointless fantasy I know  
but I can do it  
It's a spaceman's odyssey oh yeah  
but I can do it  
'Cause i'm the  
King of the Road  
I'm the  
King of the Road  
Then I saw her standing there  
Beside the sunday crowd  
seven years since i took off  
without a sound  
Oh, it was a long long road  
and I wish i'd had you with me to fight off the cold  
It was a pointless fantasy I know  
But I had to do it  
It was a spaceman's odyssey I know  
But I had to do it  
And I was the  
King of the Road  
King of the Road  
But then one day I woke to find a million cars had  
passed me by  
And I wore the same old fashioned clothes in the same  
old fashioned way  
No more  
King of the Road  
King of the Road
