Intro:

[Willie D of Geto Boys]

STILL GOING

Yeah, here we go again

We bout to roll on some motherfuckers

G.B. Rap-A-Lot Mafia

Recognize the mob Nigga

All our motherfuckin' enemies goin dead together

No exception, absolutely none

Everybody dies, everybody

Verse 1:

[Willie D]

You ain't followin' the leader

Less you follow with me

It's Willie D, motherfucker

Eternally to say,

that I'm a loud-mouth Nigga with an attitude

Intimidation, fuckin' with a man

Never seen a badder dude

I'm rather lude

My condom sucked

But I don't give a fuck

Now Nigga, Nigga what

Opposition so frightend that they vrim a shadow

Hot sluts in the muggship creep without a paddle

I'm ready willin', and able to pull a bullet in your navel

If you got beef bring it to the table

I'm unstable, look in my eyes

It's showin' death

Fuck right, I go on livin'

Wanna see a mil, before I'm killed

Get a house on the hills if it's God's will

Why Niggas gotta cry an O.G

Better motherfuckers die before me

Bye, bye

There's a better place for gangbangers

I take you there

I like the motherfuckin' stablesingers

My itchy finger says fuck it and I squeeze the trigger

Watchin' I be the one to splat this ho-ass Nigga

I ain't feelin'

Chorus:

[Yukmouth of The Luniz]

In thugs we trust

Thugs-R-Us

Nigga hit 'em up

Get 'em up

Watch the cats from dawn 2 dusk

Ride for us

5th Ward die for us

Ride for us

Killa Cali die for us

In thugs we trust

Thugs-R-Us

Get 'em up

Watch the cats from dawn 2 dusk

With a .45 like drive and bust

Hide and duck, fuck him up

Live and stuffed

Verse 4:  
[Caine of Menace Clan]  
The sun rises in the East  
And sets in the West  
But I'm down with that South,  
with an S on my chest  
It's that loced down key cocaine  
To bring the pain  
>From that menace to society  
Better known as Caine  
It's that motherfuckin' thug shit  
I'm bustin' slugs shit  
Young and schoolboy  
I'm becomin' a drug dealer  
In the streets of that West

I wouldn't settle for less  
Until I got my hands on that Smiff and that Wes  
Niggas try to swallow me  
It's all about survival, G  
Fuck these bitch Niggas  
It's off some trouble, G  
I blow 'em in the wind  
And then I sell again  
I pack a 9 milli  
Cause that's my best friend  
Niggas, I done told ya  
Blow 'em up like dohja  
Your momma couldn't keep ya  
So I ain't tryin' to hold ya  
I'm a motherfuckin' menace  
Give me a life sentence  
Picture it ain't over  
Untill the Nigga finish  
With that motherfuckin' thug shit  
Bustin' slugs shit  
I'm straight from the West  
Home of that Crip and Blood shit  
Where Niggas die at day  
Niggas die at night  
Niggas die whenever  
It seems the time is right  
These soldiers play for keeps
