Take a bath, wash yourself

take a bath try and use a little soap

take a bath wash yourself take a bath

I came here with some soap in my hand, its green,
fesh, slick its all cool

and don't worry bout conditioner, shampoo or towel
cuz girl i got that too

it's never pleasant when your smellin' like a pheasant
full grown german shepard

you better clean better or i wont mess with ya no i wont,

flys dont touch you no they dont

take a bath, wash yourself take a bath be sure and use
a little soap

Attention all you guys and gals, you gatta take a bath,

cuz if you dont and you go out, you smell like a horses
ass

So get that towel around ya for you look like a ???

gunna sat it one more time now baby girl you gatta
take a bath

Take a bath wash yourself take a bath please use a
little soap

Take a bath wash yourself take a bath
